This beautiful apartment is located in Pula, near all amenities necessary for comfortable living and enjoyment, and all amenities are accessible on foot, which is the main advantage of this apartment. The total square footage is 108m2, and it consists of a large living room with kitchen and dining room with access to the terrace, three bedrooms, two bathrooms, one of which is inside the bedroom and a storage room. The apartment has a new Dankuchen kitchen equipped with all appliances. The apartment is heated by air conditioners in every room, there is electric underfloor heating in the bathrooms, and the apartment also has the first stage of central heating. The apartment also has two covered parking spaces in front of the building. This is a nice family apartment that is worth your attention and viewing.
